ABOUT ME

Upon completing my under graduate and post graduate degrees from DMC Ludhiana (1995), I started my career as a consultant laparoscopic surgeon. I soon arose to the position of the Head of Department of Surgery in one of the biggest hospitals of Jalandhar ie. Guru Nanak Mission Hospital.

My firm belief in continuous self improvement has earned me the award of Master Surgeon by SRC USA, and my hospital was the first center to be recognised as Center of Excellence by OSSI in the year 2018 in Punjab.

I am a Life member of various organizations such as OSSI (Since-2011), IFSO and ASMBS.
